

# The Journey To The Healing Well

An extract

Dear Diary, I have been walking for days. It is unusually warm since I am in the damp climate of Scotland, but it is still quite drafty and cold. I am all alone, walking this exhausting pilgrimage on a dreary path, through the gloomy woods. I am hoping I succeed to arrive at the mystical well that is told to heal the sick. For my five year old sister has fallen ill, and I'm the only one who can retrieve the magical and enchanted waters of Scotlandwell for her. **Charlotte**

A big thank you to all children from Portmoak Primary School who took part in this project!

Your poems, models, drawings and stories were terrific and it was hard to choose which to feature!

Beautiful bubbles perfect for you and  
perfect for me. I love how it shimmers an  
pops in front of me. I makes me happy.  
I don't know why. I honestly think it's  
magic. I wonder why?
